Your Success is our Benchmark

COURSE OPTIONS

We have two training options:

1. In-house or Offsite course:
 - a. The course would be run at your premises (or alternate premises) with delegates from your company exclusively, on the dates of your choice (minimum 5 delegates).
2. Public course:
 - a. The course would be open to delegates from any company. We would choose provisional dates, advertise the course, and confirm when we have the minimum number of delegates booked.

Please see our web calendar for public dates.
